

WINWOOD

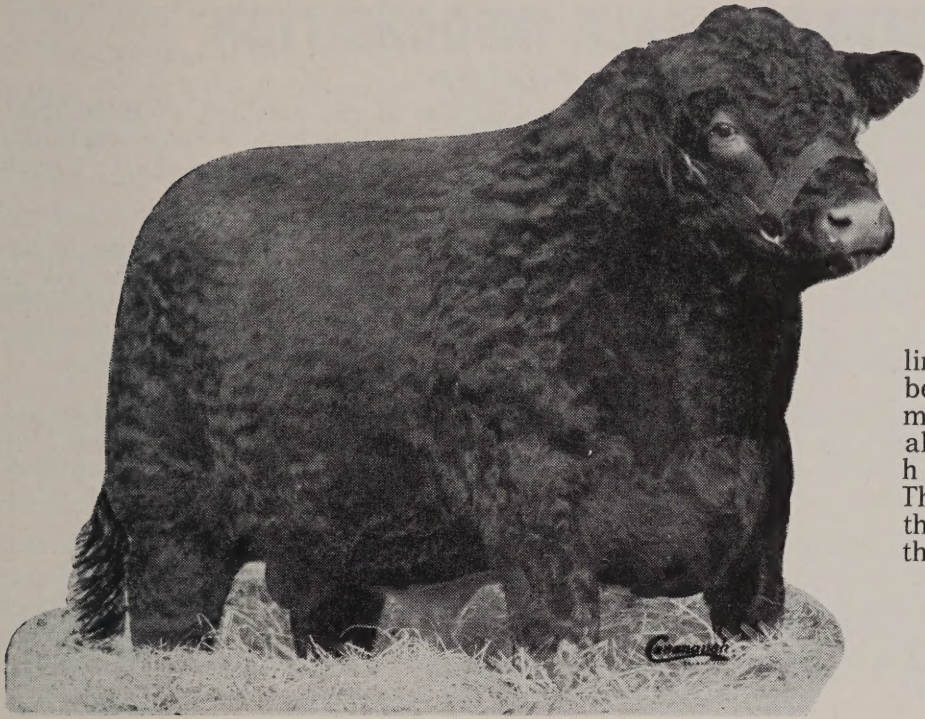

POLLED SHORTHORN DISPERSION

20 half sisters sell . . .

Brundidge, Alabama

SATURDAY, FEBRUARY 21, 1959

Oakwood Headliner x. Sire of best pair of females 1955 National Polled Shorthorn Congress. They are shown on the front cover of this catalog.

Through the purchase of the best females available in the United States and Canada . . . both Shorthorn and Polled Shorthorn . . . and mating them to real breeding bulls . . . Winwood has developed Polled Shorthorns that are a credit to the breed . . . that can play an important role in your plans for future progress.

This catalog illustrates how this has been done . . . step by step.

GENERAL SALE INFORMATION

Time and Place—Winwood Farms, which is located at the outskirts of Brundidge, Alabama, on route 10. Brundidge is 48 miles northwest of Dothan, 59 miles southeast of Montgomery. Sale is Saturday, February 21, 1959 starting at 12 Noon C.S.T. Lunch will be served by a church auxiliary from 11 a.m. on.

Terms—The terms of the sale are cash. Buyers should hand their checks to the clerk of the sale at the conclusion of the auction. All stock will be at buyers risk as soon as bid off. We will assist in loading on trucks. Buyers may leave their cattle at the farm after the sale for a period of time necessary to make trucking arrangements from their homes. Good truckers are available in the Brundidge vicinity.

Health—The herd is Accredited for T.B. and Bangs. T.B. Accreditation Number 107. Bangs Certification Number 562. Interstate health certificates will be provided. We have practiced calfhoo vaccination in the herd, both bulls and females, since 1949, the year the herd was founded.

Sale Headquarters—Grimes Motel at nearby Troy, Alabama on route 231.

Trains or Planes—We will be glad to meet your trains or planes and take you back at either Dothan or Montgomery if notified sufficiently in advance. Dothan is the nearest and is served by both Eastern and Southern. Montgomery is serviced by Eastern and Delta.

Farm Phone—Brundidge 23212. Larry Laird, herd manager.

Office Phone—Brundidge Milling Company. Brundidge 24101.

Liability—Although every precaution will be exercised to protect the safety and comfort of those attending, every person attending must do so at his own risk. Neither the owner, farm helpers, auctioneers, clerks, nor the sale manager can assume any liability. The sale manager was retained for specific tasks promotional and clerical and has no connection with the handling of the cattle, or the condition of the premises. Footnotes were prepared from information supplied by owner, and the sale manager cannot be responsible for any errors that may occur in these or health papers, and is not responsible for fulfillment of guarantees. Announcements from the auction block supercedes any printed material.

Auctioneers—C. D. Swaffar, Tulsa, Okla., and Ray Brockinton, Haddock, Ga.

REPRESENTATIVES

R. G. Heine, American Shorthorn Association, Route 3, Box 134, Pensacola, Florida. Phone HEMlock 34740.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

Scott Wilson, Livestock Breeder-Journal, Macon, Georgia.

E. H. Wilson, Alabama Cattlemen's Assn., Montgomery, Alabama.

W. H. Gregory, Extension Service, Auburn.

Mail bids may be sent to any of the above, or to the auctioneers. Last minute contact may be made through either the farm or office telephones listed above.

GUARANTEE

Although this is a complete dispersion these cattle all sell FULLY GUARANTEED under the Standard Guarantee of the American Shorthorn Association. As a further safeguard to buyers a competent veterinary will examine the females for pregnancy shortly before the sale. For this reason we have not given breeding dates in the catalog, although most of the dates are already long. We prefer to give you on sale day the findings of the information pregnancy examination.

Our principal business is the manufacturing of Bob's Blue Ribbon Feeds . . . complete lines for cattle, swine, and to an increasing degree in recent years, poultry. The company has decided to make important changes at Winwood, and under construction right now is the conversion of our farm buildings to one of the largest poultry operations in the South. The farm will also serve as an experimental unit for our feed division, feeding steers and hogs.

Thus, the cow herd must go. This was an extremely difficult decision for me personally, as nothing has ever given me more pleasure than the breeding of good Polled Shorthorns and the association with the grand people in this business. While I fully intend to rejoin the ranks of Polled Shorthorn breeders as soon as feasible, I have decided there should be no half-way measures taken in this adjustment . . . every animal in the herd will be sold.

Most of you are familiar with the care we have taken in selecting the very finest foundation stock. We traveled throughout the country, and Canada, too, not allowing price or distance to stand in our way of buying a good one. Winwood has never hesitated to purchase the bull needed . . . and even as late as last fall we were still adding top females. We have been extremely fortunate in selecting bulls that have proved outstanding sires, in particular, Oakwood Headliner x. The calves at the farm now by Aberfeldy Ambitious should convince everyone we were on the right track in bringing this potent Calrossie Welcome blood into our Polled Shorthorns.

You can start your progress at a point it has taken ten years for us to achieve. We suggest you plan to come the day before for a better opportunity to study the herd. I hope all of you . . . whether you come as a buyer or not . . . will be with us for the closing out of this herd.

Bob Godwin

Oakwood Headliner x, yearling photograph.

If you haven't seen the Winwood herd you are in for a pleasant surprise. You can tell at a glance that it has been rigidly culled, because there are no cows that look like throw-outs . . . every member of the cow herd is a **good** individual. Moreover, there is an unusually high percentage of really **top** individuals.

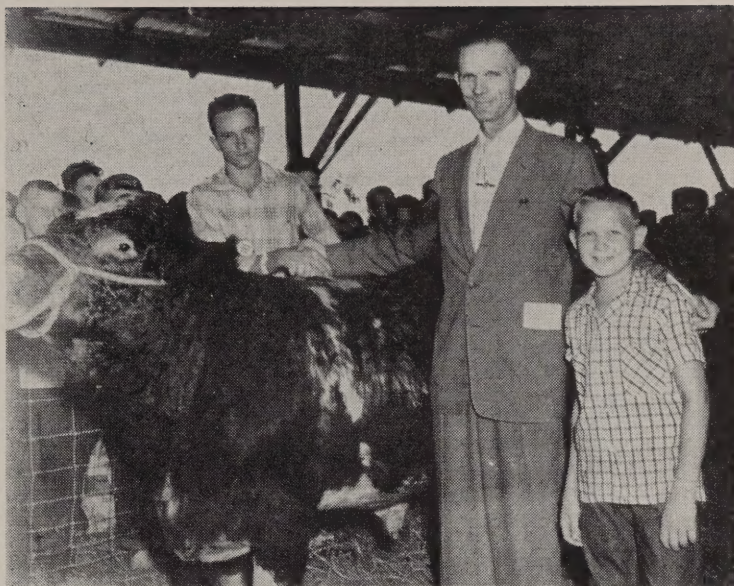

Having seen Bob Godwin buy most of these females, and having purchased a couple of them for him myself, I know they have the right background. In addition to this really sound set of foundation cows, the heifers that have been put back in the herd mark the kind of progress money cannot usually buy.

I was extremely pleased at the calves by Aberfeldy Ambitious. They are bell-ringers. Don't think for a minute that this is just another bull being sold . . . this is one of those rare items . . . a real breeding bull. I have long felt the blood of Calrossie Welcome should be used more widely in Polled herds, because of the obvious success it has had in the Shorthorn ranch.

Of course, we hate to see this herd dispersed, not so much because of the cattle, I am sure they will fall into capable hands, but because there are never enough men of Bob Godwin's calibre. Through personal interest and effort he has made a fine contribution to the breed.

Don Longley

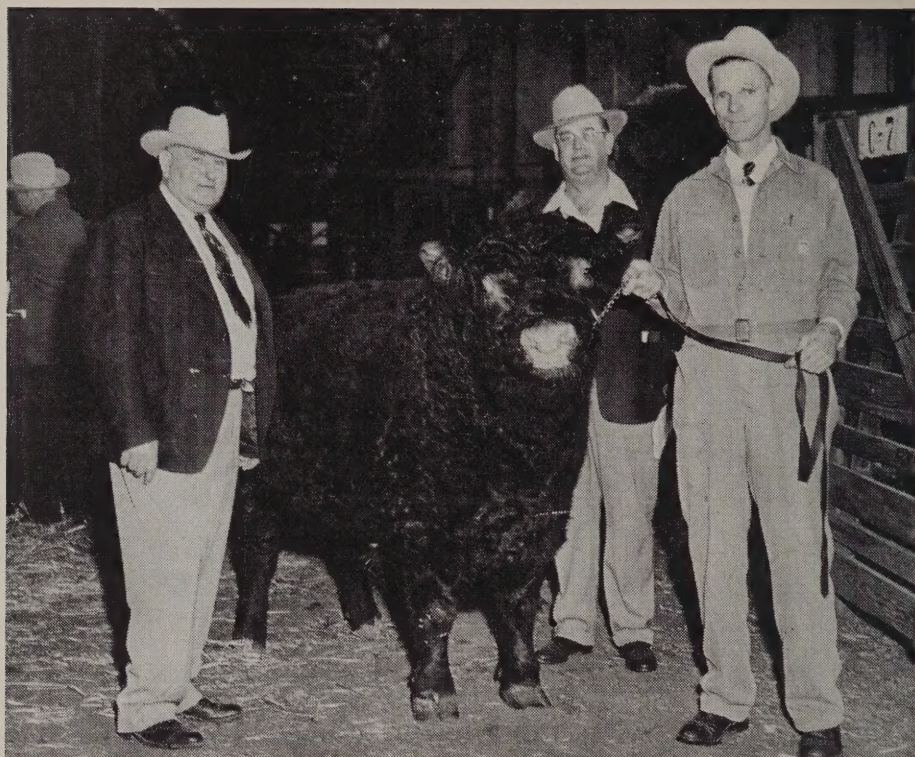

In every sack of feed Bob Godwin put in some Bob's Bonus Bucks, good only for youngsters. Each year an auction would be held and the children would use the Bob's Bucks to buy the cattle. Polled Shorthorn bulls from Winwood were sold in the auction. Right, Bob Godwin is shown with a happy youngster who has just bought a bull with his Bob's Bucks.

In addition to breeding good Polled Shorthorns and bringing top cattle to the Southeast, Bob Godwin has made an important contribution to the breed . . . one that could hardly be measured in terms of dollars. Through his field days, his Bob's Bonus Bucks auctions, he has shown Polled Shorthorns to thousands of Alabama farmers and farm youngsters who would not otherwise have come in contact with the breed.

Left, a portion of the crowd of 600 that attended the FFA field day at Winwood Farms. For five years in a row the FFA field day for Southeast Alabama, 15 counties, has been held at Winwood.

R. L. Godwin exhibits the grand champion bull at the 1953 South-eastern Regional show and sale. J. L. Adams is in the center, Bill McCeney, Maryland, the buyer is shown at left.

WINWOOD POLLED SHORTHORNS

A few of their winnings:

1955 NATIONAL POLLED SHORTHORN CONGRESS, LEXINGTON, KENTUCKY

Two firsts in female classes.
Grand champion female.
Best pair of females.

SOUTHEASTERN REGIONAL SHOW AND SALE

Grand champion bull, 1953 spring sale.
Grand champion bull, 1954 fall sale.
Reserve champion female, 1954 fall sale.
Grand champion female, 1956 fall sale.
Grand champion female, 1956 spring sale.
Best pair, 1954—1955—1956—1958.

Winwood is the permanent holder of the Broma Adams trophy for Best Pair bull and female exhibited at the fall Southeastern. This trophy was established in 1955, permanent possession to first herd to win three times.

1958 SOUTH ALABAMA STATE FAIR

Grand champion female—Winwood Orange Blossom x.
Reserve champion bull—Ocean Marigold Juggler.
Junior champion bull—Winwood Ximenes x.
Junior champion female—Winwood Queen of Hearts x.
Reserve senior champion bull—Aberfeldy Ambitious.
A total of 11 firsts.

1957 OAKWOOD SALE

Oakwood purchased a heifer from us by Oakwood Conquest x and out of L L Drambuie's Kora. She was sold in their 1957 sale for \$2,000 to Pennsylvania State University.

OAKWOOD HEADLINER was the first prize junior bull calf at the 1951 International, also first that year at several state fairs. We purchased him in the 1951 International sale for \$1,860, at ten months of age, and it proved to be the best buy we ever made. He has sired countless champions for us at such events as the National Polled Congress, the Southeastern shows and sales, and Southern fairs. He left a great heritage of daughters, around which the future of this herd was assured. Twenty daughters sell as separate lots. It has taken ten years of constructive breeding to put together a group of half sisters like these. If one breeder would buy as many as ten he would have the kind of foundation that only years of effort could otherwise produce.

HIS SIRE

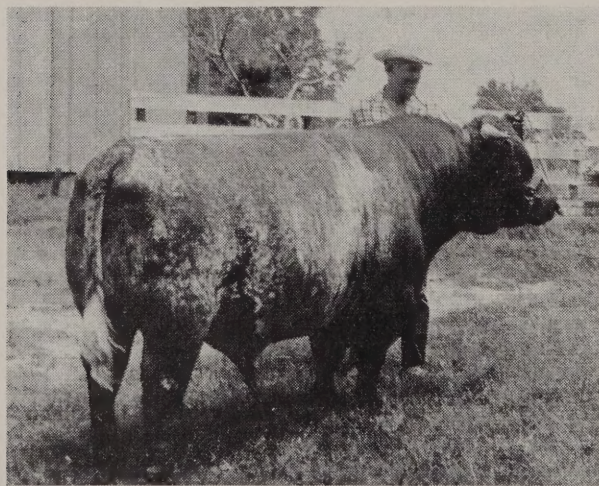

Kair Ambition, used successfully for many years by Reford Gardhouse, Aberfeldy Farms, Milton, Ontario, Canada. This bull is by the famed Calrossie Crocus Count, sire of five Perth champions or reserve champions, and one of the greatest breeding sons of Calrossie Welcome.

We have observed the potent influence of the Calrossie Welcome in Shorthorns all over the world. We decided to put it to work in our Polled herd. Through Aberfeldy Ambitious we have obtained the blood of Calrossie Crocus Count, possibly the most famous son of Calrossie Welcome. Through Ocean Marigold Juggler, we infused the blood of the 7,000 gns., Calrossie Ocean Wave.

FULL BROTHER TO HIS SIRE

Kair Ranger. 1957 International reserve grand champion. Now in service at Marcellbar Farms, Libertyville, Illinois. He is a full brother to Kair Ambition, sire of Aberfeldy Ambitious.

ABERFELDY AMBITIOUS

Unretouched snapshot in breeding condition. Taken recently at Winwood. Larry Laird, Winwood herdsman, is at the halter.

The proof is here . . . the calves by Aberfeldy Ambitious are eye-openers. Every one with a great head . . . heavy bone . . . wide backs . . . thick. See these "Calrossie Welcomes in Polled form."

ABERFELDY AMBITIOUS—Through this powerful bull of strong imported bloodlines, we had planned to infuse the potent blood of Calrossie Welcome into our Polled Shorthorns. The outstanding calves by him on the ground at Winwood now prove we were on the right track. Every one is great headed, rugged, deep bodied, wide and thick. We paid \$2,000 to Paul Teegardin for a two-thirds interest in this bull. Although we own just two-thirds of the bull, Oakwood also is selling their interest so that the new owner will own the bull entirely. His sire made a great record in the Gardhouse herd in Canada, siring many champions at leading Canadian events. His sire is a full brother to Kair Ranger, International reserve grand champion and herd bull at Marellbar. His dam was one of the top imported cows in the 1955 Gardhouse sale. A bull of depth, thickness, great quarters, and a wealth of smooth fleshing. He has the head of a stock bull, great bone and is very active and sure. All you need is a look at his calves to be certain of what he can do for you. Note also he is a grandson of Calrossie Crocus Count, sire of five Perth champions and reserve grand champions. He could head an outstanding Shorthorn herd, but Polled Shorthorn breeders would do well to study how well he has nicked on our cattle and consider him as a herd sire. **NOTE . . .** Oakwood Stock Farm has approximately forty vials of semen frozen from Aberfeldy Ambitious. This would make forty services and will become the property of the new owner of this bull, because according to Association rules no one can use semen unless they own at least one-third interest in the bull. This will be good insurance for the new owner should anything happen to the bull. Oakwood reports this semen is the liveliest of any they have ever had.

WINWOOD AMBITIOUS—A polled bull with a pedigree that can't help but make him sire good calves. We consider his granddam one of the best cows in the herd.

12 YOUNG BULLS

**Buy them . . . grow them out . . . they'll be
money makers.**

There are twelve bulls calved from March, 1958 on. Because of their age, we do not expect them to bring what they are really worth. There are several top potential sires in the group. We would like to make this suggestion. With the shortage of good strong aged bulls, why not buy a group of these. Take advantage of cheap gains through the summer. Grow them out and sell them in the fall . . . they'll be just the right age to sell at the time of year when ranchers are looking for bulls.

Oakwood Conquest x	Oakwood Chief Topic x

Follow the Step by Step Progress of This Herd.

This catalog is set up by families, with daughters and granddaughters cataloged following their dams and granddams. We have done it this way because this is the way buyers should study cattle in a dispersion. Look over each family . . . see what they have done for us . . . measure what they can do for you.

There are 75 females in this catalog. 51 fall into definite categories in our minds because of the places they were acquired.

We have two cows from the Cherry Hill dispersion, plus three of their female descendants.

Seven females either purchased or descendants of cattle from L and L.

Eight from that very select herd of Dr. D. W. Griffin. We believe we have more of his cattle than any other herd.

Nine in what we call our Canadian group . . . the dams of our Polled Congress best pair, an outstanding Sandoon cow, one from Birmingham.

Nine females from Oakwood.

Thirteen from the Mark Taylor herd. We purchased this herd in its entirety along with Jim Adams. Jim sold many of his as feature attractions to his auctions, where they averaged over \$800. We kept ours.

In addition, the others were picked carefully from leading herds. We have never kept a cow unless she produced a good calf every year.

The Cherry Hill Group

The next five lots in the catalog, Lots 21 through 25, are from two outstanding cows purchased in the Cherry Hill Dispersion. This potent blood is getting harder to find. They can start strong new families in your herd.

Red, H. L. Straus

C H ROYAL MAY QUEEN—She has been one of our top brood cows as evidenced by her calves at this sale. Will sell with a three-month-old, red bull calf at side by Aberfeldy Ambitious. The calf has the makings of a herd bull and is sure to be one of the most popular on sale day. This cow has some age, but will certainly be one of the best buys in the sale. It is doubtful if there will be many other opportunities to buy Cherry Hill females sired by Edellyn Royal Leader 2d and out of Collynie Compact dams. Purchased in the Cherry Hill Dispersion.

Cherry Hill Royal Leader. Grand champion bull, 1949 International. Lots 21 and 25 are half sisters.

Lot 22

Female

PINE ACRES MAY QUEEN x2689-214

WINWOOD KORA—One of the best show prospects that we have ever had on Winwood Farm, and out of what many consider our best brood cow. Her mother's first calf was sold to Oakwood at the 1956 Polled Congress, and they later sold her in their sale for \$2,000. The dam was also the top selling heifer of the January, 1955 L & L sale. This heifer can go into any herd in the country. Sells open.

SANDOON AUGUSTA ANN—We considered this the best cow in the James McLean herd. Don Longley urged us to buy her because he felt her mother was one of the best cows in Canada. She has certainly proved to be that kind of a breeder. She was the top selling cow in the McLean sale, 1953. She has a polled daughter in the sale by Oakwood Security and a polled bull calf by Oakwood Headliner, Sells bred to Aberfeldy Ambitious.

OAKWOOD ESTELLE 31st—Purchased in the 1953 Oakwood sale for \$1,850. Certainly one of the best. Has been an excellent brood cow. A rare opportunity to buy a direct daughter of the sire of champions, Commander-in-Chief. Sells with a roan polled bull calf at foot by Oakwood Headliner. Bred to Aberfeldy Ambitious.

The get of Oakwood Leader x, second at the 1950 International to the Oakwood Commander-in-Chief x get.

THE OAKWOOD CATTLE

Lots 37 through 44 are females from our Oakwood group. Our confidence in Oakwood cattle can be seen clearly from this catalog. Oakwood Headliner x and Oakwood Security, Winwood herd bulls, were both selected there, as was Aberfeldy Ambitious. Nowhere will you find a stronger concentration of the blood of famous Oakwood sires.

WINWOOD HAPPINESS 2nd—Out of a good Oakwood cow purchased in the L & L sale and sired by the well known breeding bull Oakwood Conquest. A daughter of this same cow was sold to George Miller. Another daughter was grand champion female at the Southeastern Show and Sale at Valdosta, Georgia. Somehow this heifer broke out of our pasture, wound up in the pasture of a neighbor, and was bred to a Hereford bull. This will no doubt hurt her sale, but it is the first time that anything like this has happened in our herd. However, she is young and will still make a fine brood cow.

First prize get-of-sire, 1950 International by Commander-in-Chief x. Four daughters sell. Lots 37, 41, 42 and 44.

OAKWOOD HARMONY 11th—Another by the sire of champions Commander-in-Chief. Purchased in the Oakwood sale. Her bull calf is now on the Auburn Performance Test and is making a phenomenal record. He has had an average daily gain of 4.28 pounds. It is quite possible that he will be the top in that test this year. Pasture bred to Aberfeldy Ambitious.

How To Get Ahead Rapidly

Every breeder knows that purchasing females is a trial and error proposition. No matter how carefully it is done, there is always culling to be done. You can avoid this by purchasing in this dispersion . . . where you will be able to see for yourself what a cow has produced . . . where you will be able to capitalize on our years of hard work.

BIRMINGHAM MILLHILLS ELIZA—This is one of the fine brood cows that Don Longley purchased for us in the Ben Franklin sale in Canada. A daughter of the 100 per cent dehorner Fascinator Standard. Her dam is a great imported cow from Millhills. Many people agree the imported females secured by Franklin from Millhills were the best draft of imported females ever to come to North America. She will have an outstanding daughter selling as a separate lot.

Lot 47

BROOKDALE ROSEBUD 3rd—Purchased in the 1955 L & L sale for \$750 and one of the top cows in the herd. She has two daughters in the herd, both selling in this dispersion. She sells with a six-month-old white heifer calf at side by Aberfeldy Ambitious. A calf that looks like a fine show prospect. Note she is a granddaughter of the Perth champion, Pittodrie Upright, and is out of a cow bred at Lynnwood. Re-bred to Aberfeldy Ambitious.

WINWOOD ROSEBUD—One of the best young Headliner cows in the herd. Her dam is also one of our best brood cows. Sells with a four-month-old, roan, polled heifer calf by Aberfeldy Ambitious and re-bred to him.

The Griffin Cattle

Those familiar with the herd formerly owned by Dr. D. W. Griffin, Chipley, Florida, need no further explanation about their quality. "Doc" never owned more than about a dozen cows . . . strictly tops. They descended from several outstanding imported females brought across by F. W. Harding for Madison Jones, Greenville, Alabama. Lots 50 to 57 are the females we purchased from Dr. Griffin and their female descendants. We probably have more of his top blood than any other herd.

Pine Acres Augusta 4th. \$1,725 top selling female, 1955 Far Reach sale. Bred by Dr. D. W. Griffin. She sells as Lot 50. Her daughter is Lot 51.

WINWOOD FRAGRANCE—Another heifer definitely scheduled for herd replacement. We consider her one of the best sired by Oakwood Headliner. A strong R. R. Johnson pedigree on the dam's side. Sells open.

The Mark Taylor Cattle

In 1953, Jim Adams, L and L Farms, and Winwood purchased the entire Mark Taylor herd of London, Ohio. We divided them equally. Jim needed females for his annual auction and sold many of his. The ones that he sold averaged over \$800.

These females were mostly sired by Oakwood Guaranty x, a top breeding son of Oakwood Leader x out of an Oakwood Merry King dam. It was a very select herd, descending mostly from two or three top cows. They are uniform cattle and breed that way. See Lots 64 through 76.

SPRING ESTELLE 4th—This cow was purchased in the 1953 Marellbar sale and sells with a three-month-old bull calf at foot by Aberfeldy Ambitious. It will be worth anyone's trip from any place in the country to look at this bull calf. It is another of the finest prospects for a herd bull. Note the dam is a daughter of the famous A. J. Marshall sire, Cruggleton Annexe. Since the Marshall herd in Scotland was dispersed several years ago, there will be very few opportunities to buy females of this breeding.
